

Anne Boatright, MSN, RN, SANE-a, is a certified Forensic Nurse Examiner (FNE) and is currently the State Forensic Nursing Coordinator and Sexual Assault Payment Program Administrator at the Nebraska Office of the Attorney General. Anne strives to create a best practice standard in the State of Nebraska so victims of crime may receive the same care regardless of their location within the state. She previously headed up the Forensic Nurse Examiner Program at Methodist Health System in Omaha. She and other members of the team cared for victims of sexual assault, strangulation, domestic violence, and human trafficking. Anne began her work as a Sexual Assault Nurse Examiner in 2009.

Prior to her work as a SANE, Anne specialized in Emergency-Trauma Nursing in Omaha. She has also worked as a Medical Intensive Care Unit Nurse in Chicago, Illinois. Anne received her nursing degree from the College of St. Mary, and a Master of Science in Nursing-Nurse Executive from Nebraska Methodist College. Anne has provided education and training to over 5,000 staff members of law enforcement agencies, health systems, advocacy services and schools state wide. She continues to do outreach in various population groups to ensure awareness and care for victims of the aforementioned crimes. Anne worked to integrate the FNE/SANE programs and standards of care within the Nebraska Human trafficking task force to ensure that all aspects of response for victims/ survivors are covered.

In October of 2016, Anne was awarded Transformational Nursing Leader of the year through the American Nurses Credentialing Center's Magnet Nursing Conference. Anne has become a key, core member of the effort to the Nebraska Human Trafficking Task Force (NHTTF), especially regarding the health care system and professions as key components of the "Community Partners" portion of the NHTTF.
